Dashboard Features:

- **“Student Select”**, top, mid-right
 - If you have multiple students, you can select which student you want to view by selecting the drop-down.
- **To Do List** and **Recent Feedback** - right side
 - The To Do list shows you any current and/or missing assignments your selected student has
 - The Recent Feedback List shows you recently graded assignments.
 - **“View Grades”** will allow you to see the overall grade for all your students’ courses on one page.
 - For a more detailed view of your student’s grades, select a course and find the “grades” tab within the course. This will show you the mark on each assignment and any teacher feedback
- **Courses** - middle of the screen
 - This lets you select any of the courses your selected student is enrolled in. Selecting a course will allow you to view all assignments, lessons, resources, etc. for that course.
- **Calendar** - Left side
 - View the calendar of due dates for assignments for your selected student
